Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The U.S. Patent and Trademark Office is hereby advised that the Second Foreign Priority Application Number contained a typographical error in the application transmittal papers filed on October 14, 2005.

The correct Application Number is: 2004-118359

As the above-mentioned change merely corrects a typographical and/or clerical error in the application papers, it is requested that as a result of the filing of this Letter that the Application Division correct its records and the file wrapper to correctly reflect the second Foreign Priority Application Number.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17; particularly, extension of time fees.

Dated: November 9, 2005

Respectfully submitted,
